

# CIHS EBP Training Calendar

CIHS Programs is committed to maintaining a twelve-month training calendar for EBPs. Trainings will be scheduled based on data collected regarding provider capacity/availability trends, identified regional needs and available resources. For information about how DCYF allocates training resources, read the [EBP Training Resource Allocation](#) document.

## If you are requesting training for an EBP that you have not already implemented:

- Complete the [EBP Readiness Assessment](#) and send it to your regional Service Array Consultant. Decision will be based on respective regional needs.
  - Your regional Service Array Consultant will review and make an approval decision. If approved, they will submit a request to update your CIHS contract to include the new EBP
- For each requested trainee, complete the training request [SmartSheet](#) form and upload all requested documents no later than 45 days prior to the training. This form will go to the respective Service Array Consultant for review.

## If you are requesting training for an EBP that you already have in your CIHS contract:

- For each requested trainee, complete the training request [SmartSheet](#) form and upload all requested documents no later than 45 days prior to the training. This form will go to the respective Service Array Consultant for review.
- Your Service Array Consultant will notify you of who has been approved to attend any requested trainings at least 30 days prior to the training start date.

## CIHS Calendar

If you have a clinician that is interested in attending a training, please complete the training request form in [SmartSheet](#) prior to registering for approval. Approval by Service Array Consultant is needed for DCYF funding and to ensure training materials are distributed timely, failure to do so may result in the training not be funded by DCYF.
