

February Consensus Queue

Below is the queue for consensus as determined by the prep team on January 22, 2018. Queue positions with an * after them are sections the prep team identified should be presented to the large group, but may potentially require additional TA/Resolution. Six sections were identified as requiring TA/Resolution prior to large group consensus; the TA Resolution queue begins on pg. 5.

DEL Tech Writer responses to requested draft language is captured in blue.
