

Early Learning

Day 2 Early Learning

Breakout Session 3: *Early Learning processes Curriculum*

Recommendations for: Early Learning processes in Curriculum

Tribal Policy:

-Assert Tribal sovereignty through inclusion of Tribal specific curriculum.

State Policy:

- Continue and expand Early Learning Outdoor Programs
- Language immersion nest funding
- Special needs, screenings, early intervention tools and methods that are Tribally researched and developed for Native children.

Federal Policy:

- Prioritize Non-competitive funding to develop a public curriculum and professional materials that are Tribal specific.
 - Prioritize Non-competitive funding of Tribal Language Early Learning programs
 - Support Early Learning Outdoor Programs that embrace traditional ways of learning
 - Review the requirements of 1380 hours of programming and professional development-it is unrealistic
-
