Chapter 110-145	Group Care: Amending group care rules to be more developmentally and culturally appropriate and flexible to meet individual youth's needs. Chapter 110-148	Licensing Standards for Kinship Caregivers: Amending rules to remove child-specific items to accommodate a new WAC chapter that will outline the licensing standards for kinship caregivers. This will allow for DCYF to issue child-specific licenses to kinship caregivers and eliminate the need to use non-safety exemptions and waivers. This will reduce barriers and create better equity for kinship caregivers trying to become licensed. These updates will also provide greater stability and outcomes for children entering foster care.	24-08-062 Filed 3/29/24		
110-148-1305 110-148-1365	Licensing Requirements for Professional Therapeutic Foster Parents: DCYF is required to develop a contract and licensing category for Professional Therapeutic Foster Care (PTFC) according to the D.S. Settlement Agreement. The Licensing Division (LD) must update sections of chapter 110-148 WAC to satisfy this legal requirement. Currently, foster family home licensing rules do not allow foster care payments to be the sole income of a licensed foster family home. Accordingly, to meet the terms of the Settlement Agreement, LD must remove this barrier in licensing rules and add new language describing the existence, eligibility, and licensing requirements for Professional Therapeutic Foster Parents.	24-08-074 Filed 4/2/24
