

# Equivalent Options for Education

Early Learning and Child Care Providers have options in order to meet licensing Staff Qualifications. These options are known as ‘equivalents’ and they include both experience and credentials. Providers can choose between the education pathways or Department of Children, Youth, and Families (DCYF) approved alternatives. To learn more about DCYF-recognized related degrees, review the Alternative Credential Guide at [tinyurl.com/AlternativeCredentials](http://tinyurl.com/AlternativeCredentials).
